### **Mock Interviews**

#### **What are mock interviews?**

A mock interview is a staged job interview that allows a job seeker to mirror the real experience. During the mock interview, the interviewee will be able to practice providing multiple answers to potential questions, giving them the chance to find the best fit.

**Review this step-by-step guide to help you prepare for your next mock interview:**

- Dress professionally.
- Prepare accordingly.
- Vet your resume.
- Make eye contact.
- Be honest.
- Relax.

- 
- Consider it as a learning experience.
  - Stay off your phone.

**Example:**

- Can you tell me about your most recent job experience?
- What are your strengths and weaknesses?
- Where do you see yourself in five years?
- Why do you want to work here?
- What are your salary expectations for the position?
- What makes you a perfect fit for the role?
