Sunder Pichai inspirational video: (Follow your passion)

- ➔ Keep your hopes and follow your dreams. By doing what you love you inspire and awaken the hearts of others.
- ➔ In the life, it is important to try new things, taking some risks, follow your passion, and enjoy your work as it overcomes our self-fear, get to know yourself better and makes you more marketable.
- ➔ We have to work on different ideas because idea matters, it doesn't matter that where you come from, what is your background because one single idea revolutionize the world.
- ➔ We have to always push our limits as it helps to achieve our goals in life as well as challenge yourself to take one more step.

Bill Gates motivational video:

(Success Secrets)

- ➔ We cannot just keep doing same old things that we were doing. As we have to do something new in our life by deleting some old habits to achieve better achievements.
- ➔ By developing our skills and ideas, attack new frontiers in the business of technology to get success.
- ➔ We have to be an innovative person in life as it is first step of achievement. Innovation is a function of knowledge, curiosity, imagination, and evaluation. The greater your knowledge base and level of curiosity, the more ideas, patterns, and combinations you can achieve.
- ➔ We have to overcome the feeling of risk, also feeling of defeat and by controlling different reactions on different situations, we have to enjoy our work by getting a success.

Who Moved My Cheese:

- ➔ The complete story is based on the universally known theory that is “**Survival of fittest**”.
- ➔ You have to change according to the surroundings and take quick decision.
- ➔ You should always learn from your past, your failures and you should never be afraid of taking risks, even if you fail you end up with something great.
